AMENDMENT AFTER FINAL

Sir:

Applicants provide the present *Amendment After Final* in order to address the arguments presented in the Final Office Action ("Final Action") dated November 16, 2007. The only amendments to the claims are the incorporation of the recitations of Claim 9 and intervening Claim 2 into Claim 1, the cancellation of Claims 2 and 9, and the revision of the dependencies of claims that previously depended from now-cancelled Claim 2. Accordingly, the present *Amendment After Final* should be entered as it reduces issues for appeal. Applicants also respectfully submit that, for the reasons discussed herein, entry of the present *Amendment After Final* is appropriate as the previous Office Action was prematurely designated a Final Office Action.

It is not believed that an extension of time and/or additional fee(s) – including fees for net addition of claims – are required, beyond those that may otherwise be provided for in documents accompanying this paper. In the event, however, that an extension of time is necessary to allow consideration of this paper, such an extension is hereby petitioned under 37 C.F.R. §1.136(a). Any additional fees believed to be due in connection with this paper may be charged to our Deposit Account No. 50-0220.
